

Taste-A-Soda

BLIND TASTE TEST

Put your senses to the test by evaluating four different sodas and guessing their flavors. Use **sight**, **smell**, and **taste** to evaluate each sample, rate the soda, and guess the flavor! Reveal the flavors at the end to have more fun.

LOOK at the soda.

Does the soda look appetizing? What does the color remind you of?

SMELL the soda.

Does the soda smell appetizing? What does the smell remind you of?

TASTE the soda.

Does the soda taste appetizing? What does the taste remind you of?

DOES the LOOK, SMELL, and TASTE match?

Pro Tips for more fun:

Use plain water or crackers as a palette cleanser

Keep your sodas chilled
